

CURRICULUM VITAE

Jason A. Mendoza, MD, MPH

1. CONTACT INFORMATION

Jason A. Mendoza, MD, MPH
University of Washington Department of Pediatrics, Division of General Pediatrics
Seattle Children's Hospital, Mailstop CW8-6

Email: jason.mendoza@seattlechildrens.org

2. PERSONAL DATA

3. EDUCATION

1992-1996 BA, Biological Sciences with Honors, University of Chicago, Chicago, IL
1997-2001 MD, Rush Medical College of Rush University, Chicago, IL
2004-2006 MPH, Health Services, University of Washington School of Public Health, Seattle, WA

4. POSTGRADUATE TRAINING

2001-2004 Resident, Pediatrics, University of Washington /Children's Hospital and Regional Medical Center, Seattle, WA
2004-2006 Robert Wood Johnson Clinical Scholars Program, University of Washington, Seattle, WA (Primary Mentors: Dimitri Christakis, MD, MPH; Fred Rivara, MD, MPH; Adam Drewnowski, PhD)
2007 Physical Activity and Public Health Research Course, University of South Carolina and the Centers for Disease Control and Prevention, Hilton Head, SC

5. FACULTY POSITIONS HELD (*primary academic appointment for the specified time period)

2004-2006 *Acting Instructor, Department of Pediatrics, Division of General Pediatrics, University of Washington; Seattle, WA
2006-2013 *Assistant Professor (Tenure Track), Department of Pediatrics, USDA/ARS Children's Nutrition Research Center and Division of Academic General Pediatrics, Baylor College of Medicine; Houston, TX
2007-2013 Research Member, Dan L. Duncan Cancer Center, Baylor College of Medicine; Houston, TX
2009-2013 Adjunct Assistant Professor, Department of Management, Policy, and Community Health, University of Texas School of Public Health at Houston; Houston, TX
2010-2013 Member, Baylor-UT Houston Center for AIDS Research, Houston, TX
2011-2013 Faculty Affiliate, Urban Health Program, Kinder Institute for Urban Research, Rice University; Houston, TX
2013-2019 *Associate Professor of Pediatrics, Department of Pediatrics, Division of General Pediatrics, University of Washington; Seattle, WA

2013-2019	Adjunct Associate Professor, Department of Health Services, University of Washington School of Public Health; Seattle, WA
2013-present	Core Faculty, Nutritional Sciences Program, University of Washington School of Public Health; Seattle, WA
2014-present	Associate Faculty, Harborview Injury Prevention and Research Center, University of Washington and Harborview Medical Center, Seattle, WA
2019-present	*Professor of Pediatrics, Department of Pediatrics, Division of General Pediatrics, University of Washington; Seattle, WA
2019-present	Adjunct Professor, Department of Health Services, University of Washington School of Public Health; Seattle, WA

6. HOSPITAL POSITIONS HELD

2004-2006	Attending Physician, UW-Pediatric Care Center, Division of General Pediatrics, University of Washington; Seattle, WA
2007-2011	Attending Physician, Ben Taub Children's Center, Harris County Hospital District, Houston, TX
2007-2013	Attending Physician, Residents' Primary Care Group, Texas Children's Hospital, Houston, TX
2013-present	Attending Physician, Department of Pediatrics, UW Medicine/Harborview Medical Center, Seattle, WA
2013-present	Attending Physician, Seattle Children's Hospital, Seattle, WA

7. HONORS

1994-1995	Richter Fund for Undergraduate Research, University of Chicago
1995	Howard Hughes Summer Undergraduate Fellowship, University of Chicago
1996	Honorable Mention, Sigma Xi Science Competition, University of Chicago
1994-1996	Dean's List, University of Chicago
1998	Dean's Summer Fellowship, Rush Medical College
1998-1999	Chicago Schweitzer Fellowship, Albert Schweitzer Fellowship and Health & Medicine Policy Research Group
1999	Community Service Award, The Albert Schweitzer Fellowship
1999	Novartis Award for Outstanding Community Service, Rush Medical College
March 2000	Alpha Omega Alpha Honor Medical Society, Rush Medical College
2002	Resident Scholarship, American Academy of Pediatrics
2006	Fellow's Day Research Award, University of Washington, Department of Pediatrics
2007-2013	National Institutes of Health Pediatric Loan Repayment Program
2009	Research Award for Community Cancer Education, National Minority Cancer Awareness Week, U.T. M.D. Anderson Cancer Center

8. BOARD CERTIFICATION

2004-present	Certified, American Board of Pediatrics, General Pediatrics (MOC cycle 11/2016-12/2021)
--------------	---

9. CURRENT STATE LICENSE

2004-2006	State of Washington License: MD 00043582
2006-2014	Texas License: M5836

2013-present State of Washington License: MD 00043582

10. PROFESSIONAL ORGANIZATIONS

2004-present Academic Pediatric Association
 2005-2009 The Obesity Society
 2007-present American Academy of Pediatrics
 2008-2011 International Society for Behavioral Nutrition and Physical Activity
 2014-present Society for Pediatric Research
 2015-present American Diabetes Association

11. TEACHING RESPONSIBILITIES

11.a. University of Washington

(a) UW Medical students and students in other health professions:

2013-present	Pediatric Continuity Clinic Preceptor, UW Medicine/Harborview Medical Center
--------------	--

(b) UW Pediatric Residents

TABLE: Pediatric resident teaching responsibilities

2004-2006	Pediatric Continuity Clinic Preceptor, UW-Roosevelt Pediatric Care Center
2013-present	Attending physician, UW Medicine/Harborview Medical Center pediatric inpatient/consult service
2013-present	Pediatric Continuity Clinic Preceptor, UW Medicine/Harborview Medical Center

(c) UW Subspecialty and General Academic Fellows: none as course director

(d) UW Other Venues: none

Mentoring at the University of Washington

TABLE: UW Medical student mentoring responsibilities (~past 5 years)

2015-present	Underserved Pathway Mentor for Matthew Holm, medical student, University of Washington School of Medicine. Current position: medical student at UW
--------------	--

TABLE: UW Graduate student mentoring responsibilities

2014-present	Dissertation Committee for Lauren Martini (PhD candidate, Epidemiology-Nutrition) at the University of South Carolina Arnold School of Public Health. Current position: Same
2014-2015	Thesis Committee Chair for Catherine Karlak, MS Candidate, Nutritional Sciences Program, University of Washington, July 2014-August 2015. Current position: Clinical dietitian
2016-2017	Thesis Committee Chair for Cathy Huang, MPH Candidate, Nutritional Sciences Program, University of Washington. Current position: Clinical dietitian
2016-2018	Thesis Committee Chair for Kimberly Polacek Ortiz, MPH Candidate, Nutritional Sciences Program, University of Washington. Current position: Clinical dietitian
2017-2018	Thesis Committee Chair for Katherine Teller, MPH Candidate, Nutritional Sciences Program, University of Washington. Current position: Clinical dietitian

2018-present	Thesis Committee Chair for Evelina Miropolsky, MS Candidate, Nutritional Sciences Program, University of Washington. Current position: Same
2018-present	Thesis Committee Chair for Nicole Michelle Cramer, MPH Candidate, Nutritional Sciences Program, University of Washington. Current position: Same

TABLE: Resident mentoring responsibilities (~past 5 years): none as primary mentor

TABLE: UW Fellow and Post-Doc mentoring responsibilities (~past 5 years)

2013-2015	Research Mentor: Alex Quistberg, PhD, MPH, Pediatric Injury NRSA T-32 Fellowship, University of Washington. Current Position: Assistant Research Professor, Environmental and Occupational Health, Dornsife School of Public Health, Drexel University
2013-2016	Research Mentor: Elizabeth Dawson-Hahn, MD, NRSA Primary Care Research Fellow, University of Washington, 2013-2016. Current position: Acting Assistant Professor of Pediatrics, University of Washington, Seattle, WA

TABLE: UW Early career faculty mentoring responsibilities (~past 5 years)

2014-present	Research Mentor: Erin Schoenfelder Gonzalez, PhD, Assistant Professor of Psychiatry & Behavioral Sciences, University of Washington
2014-present	Research Mentor: Sara Chrisman, MD, MPH, Assistant Professor of Pediatrics, University of Washington
2015-present	Research Mentor: Rachel Ceballos, PhD, Assistant Member, Cancer Prevention Program, Fred Hutchinson Cancer Research Center and Affiliate Assistant Professor of Health Services, University of Washington School of Public Health
2016-present	Research and Career Development Mentor: Elizabeth Dawson-Hahn, Acting Assistant Professor of Pediatrics, University of Washington
2017-present	Research and Career Development Mentor: Juan Espinoza, Assistant Professor of Clinical Pediatrics, Keck School of Medicine of the University of Southern California
2018-present	Research and Career Development Mentor: Faisal Malik, MD, MS, Assistant Professor of Pediatrics, University of Washington

11.b. Baylor College of Medicine

(e) BCM Medical students and students in other health professions: none as course director

(f) BCM Pediatric Residents

TABLE: Pediatric resident teaching responsibilities

2007-2013	Pediatric Continuity Clinic Preceptor, Academic General Pediatrics, Baylor College of Medicine and Ben Taub General Hospital
-----------	--

(g) BCM Subspecialty and General Academic Fellows

TABLE: Subspecialty and General Academic fellows teaching responsibilities

2006-2013	Lecturer, Academic General Pediatrics Fellowship Lecture Series (2-4/year), Baylor College of Medicine
2012-2013	Founding Course Director, Research "Work-In-Progress" Seminars, Academic General Pediatrics Fellowship and NRSA Primary Care Research Fellowship, Baylor College of Medicine

(h) Other Venues

2011-2013	Curriculum Committee, Houston-Galveston Schweitzer Fellows Program (Medical students and other graduate students)
-----------	---

Mentoring at Baylor College of Medicine

TABLE: BCM Medical student mentoring responsibilities (past 5 years): none at Baylor College of Medicine

TABLE: BCM Graduate student mentoring responsibilities (past 5 years)

2012-2013	Research Mentor for Aaron Davis-Fobian, (PhD candidate) at the University of Alabama at Birmingham and child psychology intern at Baylor College of Medicine/Menninger Clinic. Current position: Assistant Professor, Department of Psychiatry and Behavioral Neurobiology, University of Alabama at Birmingham
-----------	---

TABLE: BCM Resident mentoring responsibilities (past 5 years): none at Baylor College of Medicine

TABLE: Fellow and Post-Doc mentoring responsibilities (past 5 years)

2012-2013	Scholarly Oversight Committee: Stephanie Marton, MD, Academic General Pediatric Global Health Fellow, Baylor College of Medicine. Current position: Assistant Professor of Pediatrics and Program Director of the Global Child Health Residency Program, Baylor College of Medicine
-----------	---

TABLE: BCM Early career faculty mentoring responsibilities (past 5 years): none at Baylor College of Medicine

12. EDITORIAL RESPONSIBILITIES

2006-2013	Editorial Advisor, Nutrition & Your Child Newsletter , Baylor College of Medicine
2010-2013	Editorial Board, Journal of Applied Research on Children: Informing Policy for Children at Risk
2011-2012	Guest Co-Editor, Health and Place, special issue on Active Living Research
2012-present	Editorial Board, Metabolic Syndrome and Related Disorders

13. SPECIAL NATIONAL RESPONSIBILITIES

2008 & 2010	Grant Review Panel, Robert Wood Johnson Foundation, Active Living Research New Connections Call for Proposals 2008 and 2010
2009-2011	Program Committee Member (2010) and Program Committee Chair (2011), Active Living Research Annual Conferences 2010 and 2011, San Diego, CA
2009-2010	Abstract Review Panel, Robert Wood Johnson Foundation, Active Living Research Annual Conferences 2010 and 2011
2010	Temporary Member, Special Emphasis Panel for the K99/R00, Pathway to Independence Grant Award, NIH-NHLBI
2011-2013	Abstract Review Panel, Pediatric Academic Societies Annual Meeting call for abstracts 2012, 2013, and 2014
2011	Ad hoc Grant Reviewer, Bupa Foundation: The Medical Research Charity, Multi-Country Grants 2011 (United Kingdom)
2013	Abstract Review Panel, Society for Behavioral Medicine Annual Meeting call for abstracts 2014

2014	Ad hoc Grant Reviewer, USDA/WIC Center for Collaborative Research on WIC Nutrition Education Innovations, Round 2 RFA, 2014
2014-2016	Temporary Member, Mentored Clinical and Basic Science Review Committee, NIH-NHLBI
2015-present	National Advisory Committee, Research in Academic Pediatrics Initiative on Diversity (RAPID), Academic Pediatric Association (NIDDK-funded, R25DK096944)
2015	Temporary Member, Psychosocial Risk and Disease Prevention (PRDP) Study Section, Center for Scientific Review, NIH
2016-present	Permanent Member, Psychosocial Risk and Disease Prevention (PRDP) Study Section, Center for Scientific Review, NIH (term ends 2020)

14. SPECIAL LOCAL RESPONSIBILITIES

2004-2006	Seattle Public Schools Transportation Futures Community Advisory Committee, Seattle, WA
2007-2013	Houston Trauma Link Coalition, Baylor College of Medicine, Houston, TX
2008-2011	Mayor's Wellness Council, City of Houston, Houston, TX
2009-2013	Advisory Board, Children at Risk Institute of Children at Risk, Houston, TX
2009-2013	Latino Children's Wellness Board, Arte Público Press, University of Houston, Houston, TX
2011-2013	Co-Chair (2011-2013) and Founding Advisory Board Member (2008-2013), Houston-Galveston Schweitzer Fellows Program, Houston, TX
2011-2013	BCM Institutional Diversity Committee, Baylor College of Medicine, Houston, TX
2012-2013	BCM Institutional Review Board #1, Baylor College of Medicine, Houston, TX
2013-2015	School Road Safety Task Force, City of Seattle, Seattle, WA
2013-2014	Search Committee for the Director of the Center for Diversity and Health Equity, Seattle Children's Hospital, Seattle, WA
2013-present	Investigator, Center for Child Health, Behavior and Development, Seattle Children's Research Institute; Seattle, WA
2013-present	Steering Committee, Center for Child Health, Behavior and Development, Seattle Children's Research Institute, Seattle, WA
2013-2018	Affiliate Investigator, Division of Public Health Sciences, Cancer Prevention Program, Fred Hutchinson Cancer Research Center; Seattle, WA
2013-2016	Search Committee for an Obesity Research Member, Cancer Prevention Program, Fred Hutchinson Cancer Research Center, Seattle, WA
2013-2016	Founding Co-Chair, Global WACH Nutrition Think Tank, Departments of Pediatrics and Global Health, University of Washington
2014-2015	Equity Review Group, Governor's Interagency Council on Health Disparities, The Healthiest Next Generation Initiative, Washington State Department of Health, Olympia, WA
2014-2017	Co-Director, Health Disparities Research Center, Fred Hutchinson Cancer Research Center
2015-present	Scholarly Oversight Committee, Pediatric Cardiology Fellowship Program, University of Washington and Seattle Children's Hospital, Seattle, WA
2017-present	Associate Director for Community Outreach and Engagement, Fred Hutch/UW Cancer Consortium, Seattle, WA
2017-present	Associate Program Head, Cancer Prevention Program, Public Health Sciences Division, Fred Hutchinson Cancer Research Center, Seattle, WA
2017-present	Founding Director, Office of Community Outreach and Engagement, Fred Hutch/UW Cancer Consortium, Seattle, WA
2018-present	Joint Associate Member, Division of Public Health Sciences, Cancer Prevention Program, Fred Hutchinson Cancer Research Center; Seattle, WA

15. RESEARCH FUNDING

Active Funding

R21 AT010041 (PI: Tandon and Gonzalez) 05/17/2018-04/30/2020 0.45 calendar
NIH/NCCIH annual direct cost: \$160,553

Paying Attention to Physical Activity in ADHD

This is a two-phase study to evaluate feasibility, acceptability, and effects of an enhanced parent behavior management training (BMT) and mobile Health technology intervention to promote physical activity (PA) for young children with ADHD. In the R21 phase, we will develop and pilot the intervention and evaluate effects on PA; the R33 phase we employ a randomized design to determine effects on PA, family and clinical outcomes compared to a standard BMT program for children with ADHD.

Role: Co-Investigator

R01DK117461 (mPI: Liese, Angela & Mendoza, Jason) 04/01/2018-03/31/2023 2.16 calendar months
NIH/NIDDK subcontract annual direct costs: \$83,000

Impact of Disparities in Food Security on Glycemic Control and Health Care Utilization Among Youth and Young Adults with Diabetes

The overall goal is to conduct a longitudinal cohort study, which will build on and extend the rich data of the SEARCH for Diabetes in Youth study, and examine the impact of disparities in food insecurity on glycemic control, health care utilization, and health care costs among youth and young adults with type 1 and 2 diabetes.

Role: multiple-PI.

R01DK113005 (PI: Mendoza, Jason) 02/01/2018-01/31/2023 1.8 calendar months
NIH/NIDDK annual direct costs: \$513,592

Fit 5 Kids Screen Time Reduction Curriculum for Latino Preschoolers: A RCT

The overall goal is to conduct a long term, efficacy cluster RCT of the culturally adapted Fit 5 Kids among Latino preschoolers in Head Start from three regions: Seattle, Houston, and the Central Valley of Washington State.

Outcomes of interest include child screen time, physical activity, and adiposity.

Role: PI.

N/A (PI: Anderson, Garnet) 11/01/2017 – 10/31/2020 2.4 calendar months
Fred Hutchinson Cancer Research Center annual direct costs: \$47,000

Public Health Sciences Leadership and Faculty Support

Dr. Mendoza is Associate Program Head of the Cancer Prevention Program in the Public Health Sciences Division of the Fred Hutchinson Cancer Research Center. His role is to help lead the activities of the Cancer Prevention Program with an emphasis on expanding research on cancer health equity among faculty and trainees.

Role: Co-I/Site PI

R01DK113269 (PI: O'Connor, Teresia) 4/1/2017 to 3/31/22 0.6 calendar months
NIH/NIDDK subcontract annual direct costs: \$11,500

Development and Validation of an Automated Measurement of Child Screen Media Use: FLASH

The goal of this research is to build a first-of-its-kind 'Family Level Assessment of Screen use in the Home' (FLASH), a fully integrated, minimally obtrusive system for accurate, privacy-preserving and reliable monitoring of screen use by children.

Role: Co-I

P30CA015704 (PI: Gilliland, D. Gary) 01/01/2015 – 12/31/2020 2.4 calendar months
NIH/NCI subcontract annual direct costs: \$47,000

Cancer Center Support Grant

Dr. Mendoza is Associate Director of Community Outreach and Engagement for the Fred Hutch/UW Cancer Consortium, where he serves as the founding Director of the Office of Community Outreach and Engagement. He

is one of eight Associate Directors for the Cancer Consortium and reports to the Director of the Consortium. His role is to evaluate and develop strategies to improve health equity and increase accrual of catchment area and underserved populations to Consortium research studies by working with Consortium members and community partners.

Role: Associate Director of Community Outreach and Engagement

Pending Funding

U01CA246665 (mPI: Kadan-Lottick, Nina & Mendoza, Jason) 09/01/2019-08/31/2024 2.4 calendar months
NIH/NCI (Impact score of 20, no percentile provided, 6/2019)

A Randomized Trial of a Mobile Health and Social Media Physical Activity Intervention Among Adolescent and Young Adult Childhood Cancer Survivors

The goal of this project is to conduct a RCT using the infrastructure of the Children's Oncology Group to test a multi-level intervention that combines a Fitbit wearable physical activity tracker (intrapersonal level), an online social media peer support group (interpersonal/community), and individualized goal setting (intrapersonal) into a mobile health (mHealth) intervention designed to improve adolescent and young adult cancer survivors' physical activity, biomarkers of cardiovascular health, and quality of life.

Role: multiple-PI

T32 (mPI: Coker, Tumaini and Mendoza, Jason) 07/01/2020-06/30/2025 1.2 calendar months
NIH/NICHD annual direct costs \$478,000

Child Health Equity Research Program for Post-doctoral Trainees (CHERPP-T)

CHERPP-T is a mentored, research project-based training program that provides didactic training in rigorous health services and clinical research methodologies, experiential research training, career development, opportunities for community-academic partnerships, and a long-term network of mentors, collaborators, and partners. The program will focus heavily on recruiting trainees from underrepresented racial/ethnic minority groups (URM) by leveraging existing relationships with predoctoral and early career URM pipeline programs for academic pediatricians. Health equity research will be defined as work that aims to improve or examine outcomes defined in the NIMHD Framework. Doctoral level trainees will develop an independent research career focused on achieving health equity across multiple domains and levels of influence on health, and acquire skills to improve health outcomes at the level of the individual, family/organization, community, and population.

Role: multiple-PI

Completed Funding

R01CA163146 (PI: Mendoza, Jason) 08/01/2012 – 05/31/2018 4.2 calendar months
NIH/NCI annual direct costs: \$415,000

Evaluation of a Walking School Bus Program: A Cluster Randomized Controlled Trial

The goal of this research is to conduct a cluster randomized controlled trial to evaluate the long-term efficacy of a Walking School Bus program to improve low-income, ethnic minority children's active commuting to school, moderate-to-vigorous physical activity, and body mass index over a school year.

Role: PI

N/A (mPI: Thompson, Beti & Mendoza, Jason) 09/01/2017-03/31/2018 0.0 calendar months
Fred Hutch/UW Cancer Consortium annual direct costs: \$30,000

Cancer Center Support Grant: Community Outreach and Engagement Needs Assessment

We are collecting both quantitative and qualitative data from the community-based organizations in the 13-county catchment area that have missions directly related to cancer, as well as organizations with missions linked to cancer-related behaviors, such as physical activity, nutrition, tobacco, sun exposure, and vaccinations. The information we collect will help us improve our projects in order to better meet the needs of the community.

Role: Co-Project Director/Site PI

- N/A (PI: Baker, Scott) 07/01/2017-06/30/2018 0.0 calendar months
Fred Hutchinson Cancer Research Center annual direct costs: \$70,000
Improving Physical Activity in Young Adult Cancer Survivors
The goal of this project is to conduct a pilot randomized controlled trial of a mobile health intervention using Fitbit wearable devices and a Facebook group to increase adult cancer survivors' physical activity and quality of life.
Role: Co-Investigator/Site PI
- N/A (mPI: Mendoza, Jason and Chow, Eric) 07/01/2015 – 06/30/2017 0.0 calendar months
St. Baldrick's Foundation annual direct costs: \$50,000
A mHealth Intervention to Promote Cancer Survivors Physical Activity
The goals of this research are to conduct a randomized controlled trial (RCT) of the Fitbit Flex plus a Facebook group to promote physical activity among childhood cancer survivors. We will recruit survivors ages 14-18 years from Seattle Children's Hospital and randomize participants to intervention or control conditions for 10-weeks. See also matching funds from the Seattle Children's Hospital of the same project name and time period.
Role: multiple-PI (contact)
- N/A (mPI: Mendoza, Jason and Chow, Eric) 07/01/2015 – 06/30/2016 0.0 calendar months
AYA Teen Cancer Program, Seattle Children's Hospital annual direct costs: \$51,000
A mHealth Intervention to Promote Cancer Survivors Physical Activity
The goals of this research are to conduct a randomized controlled trial (RCT) of the Fitbit Flex plus a Facebook group to promote physical activity among childhood cancer survivors. We will recruit survivors ages 14-18 years from Seattle Children's Hospital and randomize participants to intervention or control conditions for 10-weeks. These are matching funds for the St. Baldrick's Foundation grant of the same name and time period.
Role: multiple-PI (contact)
- N/A (mPI: Mendoza, Jason and Moreno, Megan) 12/01/2013 – 09/30/2014 0.0 calendar months
Seattle Children's Research Institute (CCHBD) annual direct costs: \$25,000
A Wearable mHealth Device to Promote Teenagers' Physical Activity: A Pilot RCT
We will conduct a pilot randomized controlled trial (RCT) of the Fitbit Flex plus a Facebook group to promote physical activity among low income, racial/ethnic minorities who are 14-18 years old
Role: multiple-PI (contact)
- R21HL113810 (PI: Mendoza, Jason) 02/01/2013-01/31/2016 1.2 calendar months
NIH/NHLBI annual direct costs: \$200,000
Pilot Study on Bicycle Trains to Improve Children's Physical Activity
The goals are to (1) develop and validate machine learning algorithms to identify children's cycling using concurrent accelerometer and GPS data, and (2) conduct a pilot cluster RCT of the Bicycle Train program with low-income, ethnic minority schoolchildren.
Role: PI
- 2533672601 (PI: Mendoza, Jason) 07/1/2010 – 6/30/2011 0.0 calendar months
Texas Children's Hospital Pilot Research Fund annual direct costs: \$50,000
Examining Food Insecurity among HIV+ Children at TCH
The major goals of this project are (1) to determine the proportion of households with food insecurity and (2) to conduct exploratory analyses on food insecurity, CD4 count, adiposity, and metabolic risk among HIV-positive patients of Texas Children's Hospital.
Role: PI
- K07CA131178 (PI: Mendoza, Jason) 08/1/2008 - 06/30/2013 9.0 calendar months
NIH/NCI annual direct costs: \$123,000

Reducing Television Viewing to Prevent Obesity in Hispanic Preschool Children

The primary goals of this research plan will be to 1) validate measures of sedentary activities; 2) validate neighborhood environment surveys; 3) develop a questionnaire based on the Model of Goal Directed Behavior; and 4) conduct a group randomized, controlled trial evaluating the effectiveness of a culturally adapted preschool curriculum to reduce TV viewing Hispanic children enrolled in Head Start.

Role: PI

27843-I (PI: Mendoza, Jason) 07/1/2008 – 06/30/2009 0.0 calendar months
Harris Country Hospital District Foundation annual direct costs: \$50,000

Walking School Bus Coordinators: Promoting Injury Prevention and Physical Activity in the Houston Independent School District

The major goal of this project is to recruit and train health promotion specialists to lead the walking school bus program, a physical activity promotion and injury prevention intervention, in several HISD schools.

Role: PI

R21CA133418 (PI: Mendoza, Jason) 07/1/2008 – 06/30/2010 3.0 calendar months
NIH/NCI annual direct costs: \$180,000

Pilot & Feasibility Evaluation of a Walking School Bus Intervention for Elementary School Students

The goals of this research plan will be 1) to determine socio-demographic and neighborhood/built environment predictors of student participation in the walking school bus (WSB); 2) to evaluate the impact of a WSB program to decrease parental barriers to allowing their children to walk to and from school, to increase pedestrian safety behaviors, walking to school, physical activity, and to decrease weight gain in 4th grade students; and 3) to determine the role of the neighborhood and built environment.

Role: PI

63773 (PI: Mendoza, Jason) 02/1/2008 – 01/31/2010 1.2 calendar months
Robert Wood Johnson Foundation, Active Living Research annual direct costs: \$141,000

Pilot Evaluation of a Walking School Bus Policy for Elementary School Students

The goal is to assess the walking school bus policy's impact on (1) students' self-efficacy for walking to school and (2) parents' self-efficacy and outcome expectations for allowing their children to walk to school.

Role: PI

N/A (PI: Mendoza, Jason) 1/1/2007 - 12/31/2007 0.0 calendar months
Bristol Myers Squibb/Mead Johnson Pilot Award, Baylor College of Medicine annual direct costs: \$20,000

Culturally Adapting a TV Reduction Curriculum for Latino Preschool Children in Head Start

This pilot study will consist of (1) the adaptation of the television reduction curriculum for Latino preschool children and (2) a feasibility trial of the adapted curriculum in the Head Start setting

Role: PI

6250-51000-047 (Project leader: Mendoza, Jason) 7/1/2006 – 9/30/2010 3.0 calendar months
6250-51000-053 (Project leader: Mendoza, Jason) 10/1/2010– 6/30/2013 3.0 calendar months
USDA CRIS annually appropriated by Congress: \$100,000

Childhood Obesity Risk Factor Characterization

The objective of this project is to use the National Health and Nutrition Examination Survey (NHANES) to examine risk factors, moderators, and mediators of childhood obesity and related disorders.

Role: Project Leader

61-3851 (PI: Mendoza, Jason) 10/1/2005 - 12/31/2006 0.0 calendar months
Exploratory Center for Obesity Research, University of Washington annual direct costs: \$15,000

Brief Motivational Intervention to Prevent and Treat Overweight in WIC Families

The goals of this pilot study are to (1) test the feasibility of a brief motivational interviewing intervention to prevent excess weight gain in WIC children and their parents and (2) develop a data collection protocol for the future, randomized controlled trial

Role: PI

N/A (PI: Deyo, Richard) 7/1/2004 - 6/30/2006 0.0 calendar months
UW RWJF Clinical Scholars Program: Fellow's Research Project Funding annual direct cost: \$6000

Pilot projects on the walking school bus and nutrition epidemiology

The goals of these projects are to provide pilot and feasibility funding for future grants related to obesity prevention and physical activity promotion.

Role: Fellow/Project Leader
